Welcome

Dear friends and colleagues,

It is a great pleasure and honor to host the "**14th London-Sheffield Global Diagnostic Educational Program**" with the Radiology Department in El Minia University and the Egyptian Society of Radiology and Nuclear Medicine.

We are proud successfully having the participation of a group of distinguished British Radiology Consultants and Neurologists and well reputed professors from different Egyptian Universities aiming to discuss and exchange their updated knowledge among each others and our colleagues via a condensed scientific content varies between lectures, panel discussions and workshops. We are glad to host you at our beautiful governorate; Minia, at the Armed Forces Hotel on Thursday and Friday, 14-13 February 2020. Our intention is to provide an opportunity for the participants not only to expand their knowledge and experience, but to interact with each other as well. We count on your eagerness for knowledge. We are wishing you a fruitful meeting and enjoyable time in Minia.

Prof. Mohamed M. Amin, M.D, FRCR
Head of Radiology Department
El Minia University, Egypt
